Combinations

Planning Tip

Please note that any of the combinations shown on both pages can be created using either a 100mm or 50mm countertop.

It is advised where you create an overhang of more than 300mm with a countertop, you use a cantilever wall bracket or chrome towel rail bracket to support the countertop.

Warranty & Maintenance

5 Year Warranty

Elements bathroom furniture is guaranteed for 5 years from date of manufacture (2 years for all electrical items and mirrors), against manufacturing defects or product failure when used in domestic installations. This warranty is subject to installation in accordance with our instruction and care and maintenance guidelines as supplied with each furniture product. In the unlikely event of a defect or product failure, liability is limited to supply of replacement individual components (or nearest equivalent) from the range and does not cover any consequential loss/damage, or any installation costs or financial compensation. The customer will be required to provide information to us in order to validate any warranty claim. Full terms and conditions available on request.

As soon as you receive your bathroom furniture, it is important to check that it is what you ordered, and is not damaged in any way. Should there be any query in relation to the product, this must be reported in writing to your query must be agreed prior to commencing installation. Failure to do so may result in any query or claim being declared void.

106

Elements furniture is manufactured in the UK to a continuous improvement policy. We reserve the right to amend the product specifications or dimensions without prior notice.

Care & Maintenance

Cleaning of Elements bathroom furniture should only be undertaken with a damp cloth and light proprietary cleaning liquid. No abrasive creams or bleach type liquids should be used. Any spillages of water or liquids should be cleaned up immediately.

All full colour photographs shown in this brochure are as accurate as the printing process will allow.
